Rope Thimble for Clevis Swivel

Attaching a wire or synthetic rope to a swivel can be accomplished with a swivel that contains the Electroline® fitting on one side of the swivel. If thimbles with clips are desired, solid core thimbles are recommended. The cast-steel thimbles are zinc-plated and are designed to limit rope wear by preventing the rope from extending beyond the diameter of the swivel.

Specifications

Termination Type	Clevis
Connector Type	Clevis
Material	Zinc-Plated Cast-Steel

Available Products

Rope Size (In.)	Part No.	1/2	L-713-4
3/4	L-713-9		
7/8	L-713-8
